Uniform Crime Reporting (UCR) is a collective effort on the part of city, county and state law enforcement agencies to present a nationwide view of crime. The California Department of Justice (DOJ) UCR program provides a statewide view of crime, based on the reporting of statistics.

* California DOJ UCR guidelines require law enforcement agencies to report misdemeanor (simple) assaults even though they are not considered a Part 1 Crimes. The state UCR Program then forwards the data, using uniform offense definitions, to the FBI's National UCR Program. FBI UCR reports only depict the aggravated assaults, which are a Part 1 Crime.

Above you will find the number of Part 1 Crimes reported by our police department. They are categorized by crime type. Statistics are preliminary and subject to further analysis and revision.

The YTD statistics for 2010 - 2011 are reported crimes for the months of January - December of said year.
